

CRITICAL INFORMATION SUMMARY

2GB Mobile Wireless Broadband (3G)

Information about the Service

This is a 3G Mobile Wireless Broadband service which operates through a SIM card and provisioned on the Optus Mobile network.

Bundling Requirements

This service does not require you to bundle any other Dodo services. However, you may be entitled to additional discounts if you bundle this service with selected Dodo post-paid products.

Equipment Required

You will need a 3G mobile wireless-enabled device, which does not need to be purchased from Dodo.

You will need a Dodo provided SIM card for this service.

Additional hardware may be included on some plans, or you may choose to include hardware at an additional fee. Please refer to www.dodo.com for options and costs.

If you do purchase hardware from Dodo. You may choose to pick up your hardware for free from Dodo Hardware Collection (Clayton, Victoria) or have it delivered at an additional cost of \$24.90.

Minimum Term

1, 12 & 24 Months

Included Data

Your plan includes the following data: 2GB
Once included data has been reached, excess data charges will apply.

Service Availability

The service is not available in all areas and the service speed you experience depends on a number of factors, including your equipment, the quality and location of your mobile coverage, and the applications that you are using.

Information about Pricing
