

Dodo SmartPay Instalments Terms & Conditions

Dodo SmartPay is a way of paying Dodo Power & Gas bills in smaller amounts each month, rather than paying a larger amount when your bill arrives every two or three months. In other words, an instalment payment plan.

These Dodo SmartPay terms and conditions apply to you because you have chosen to use Dodo SmartPay. These terms and conditions apply to you in addition to the terms and conditions referred to in your Market Contract Summary.

If there are any inconsistencies between the Dodo SmartPay terms and conditions and the [Dodo Energy Market Contract terms and conditions](#) in relation to payments, the Dodo SmartPay terms and conditions will take precedence to the extent of any differences.

Taking up Dodo SmartPay can help you with budgeting for your gas and electricity particularly when seasonal impacts (summer and winter) can lead to higher bills.
